are drawing Rs. 1000/- and above or are in the Rs. 1000/- grade or are Heads of Departments who, I believe, rank with at least some of those included in the approved list in pay as well as status, are not getting any Calendars:-

1. Eight Professors of the University who are in the Rs. 1000/- grade.
2. The Superintendent, Government Gardens.
3. The Director of Public Health Institute.
4. The Government Director, Bhadravati Iron Works
5. The Registrar of Co-operative Societies.

It will be seen from the above instances that there is room for resentment on the part of the officers mentioned. They do not naturally ask for a copy but all the same look to the distributing agency for one and this is my excuse in bringing this matter to the kind notice of Government.

The number of extra copies to be printed for distribution to the above officers is 25 and the cost incurred thereon is that involved in the payment of wages for printing and binding and the cost of paper and straw boards which will not be more than Rs. 5/-. It seems to me that this small expenditure is worth incurring as the Art Calendar is prized as " an ornament and a useful adjunct in the office room".

I therefore solicit permission to print 25 copies extra over and above the 100 now being printed. If Government are disposed to give the Superintendent some measure of discretion, they may order 30 extra copies to be printed and direct him to keep the 5 in reserve for supply to such officers of recognised standing as Goverr ment may direct or in his opinion are entitled to the same.

SIR,

With reference to Government Order No. E. 3324-5/P.&.S. 50-23-5, dated the 19th ultimo, sanctioning the printing of an increased number of Art Calendars and requesting the submission of a revised list, I have the honor to submit a revised list for favour of final approval of Government.

It will be seen from the list that a provision is made for 150 calendars including a reserve of only ~~two~~ three copies. Besides high officers of the State, including the Hono'ble the British Resident, all Heads of Departments and Secretaries to Government and other officers who are of the

grade of the Deputy Commissioners and above, and others who are drawing over Rs: 600/- and are in the Rs: 800/- grade are included in the list. The pay of these people is also given for facility of reference.

I am now finally requesting Government to permit the printing of 50 extra copies over and above the 100 that are now printed for supply to the officers and others mentioned in the list. The extra cost involved will be less than Rs: 10/ while the satisfaction given will be more general.

I beg that this list may be finally approved, and 50 extra copies sanctioned to be printed in future.
